Berlin Decks is a future industrial campus located on the Friedrich-Kreuzer-Ufer in Berlin-Moabit, due to be built by 2021. The historic warehouse complex by the Spree canal is currently used as a temporary and curated spot for select events. From 2021 the land will be transformed into a three-storey hub for innovative entrepreneurs and enterprises. Check our website or follow us on Instagram for more information.

ACTIVITIES

Indoors or outdoors, rain or shine, you'll always find things to do in Moabit-Wedding. Challenge yourself with a bouldering and climbing session or simply drift around the weekend markets perusing delicacies. Summer is the time for poolside sessions and outdoor adventures, and you won't even have to leave the Kiez.
